

Smoke Pearl Marten Mini Rex

gray, ruby cast permissible.

Faults—Fault animals that have streaks, blotches, or poor color blending. Mealiness on the head, ears, or body is undesirable. Animals that are too light or too dark are to be faulted. Scattered white hairs or the lack of darker color in the loin area is a fault.

Smoke Pearl Marten—The surface color of the head, outside of the ears, back, outside of the legs, and the top of the tail is to be a rich smoke gray with a slightly lighter undercolor. The surface color will fade to a lighter pearly gray on the sides and chest. All blending of color is to be gradual and free from blotches and streaks. The nostrils, eye circles, jowls, inside of ears, triangle, collar, back of fore feet, inside of the hind feet and legs, and the underside of the tail are to be silver white in color. Belly is to be white to silver white and can show a slightly darker undercolor. Prominent silver-white guard hairs are to be evenly distributed around the chest, sides, and lower hindquarters. Eyes – Blue-

Insert for 2021-2025 & 2026-2030 Editions, ARBA Standard of Perfection

Eligible to be entered in all ARBA sanctioned shows as exhibition animals. May not compete for Best of Breed/Best in Show
