ARBA eSOP
Download
Instructions

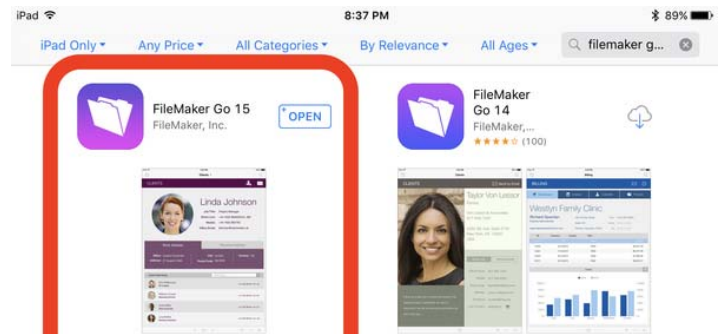

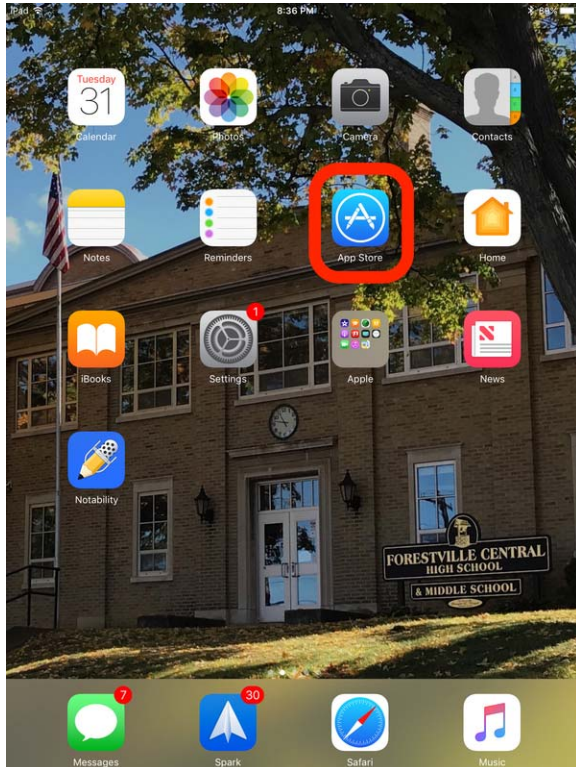

INSTALL ON iOS DEVICES

BEFORE YOU BEGIN...

Be sure to install FileMaker Go 15 from the App Store. This is a free app that you will need to run your eSOP.

- 1) Open the App Store app.
- 2) Search for FileMaker Go 15 and install it onto your iOS device.

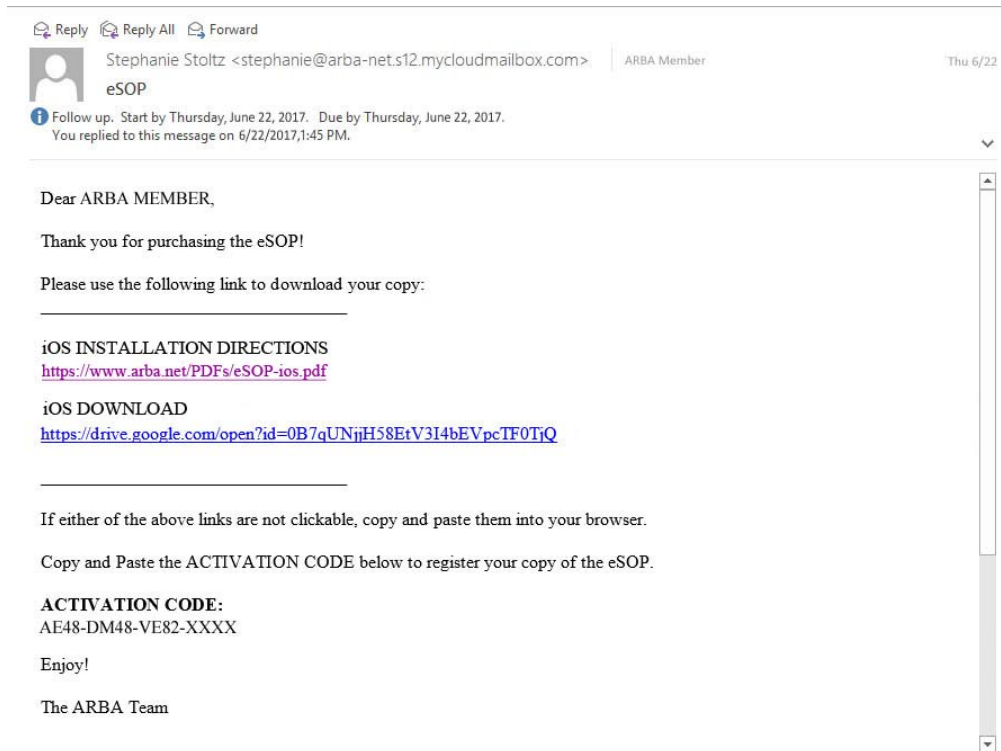

SELECT FILEMAKER GO 15

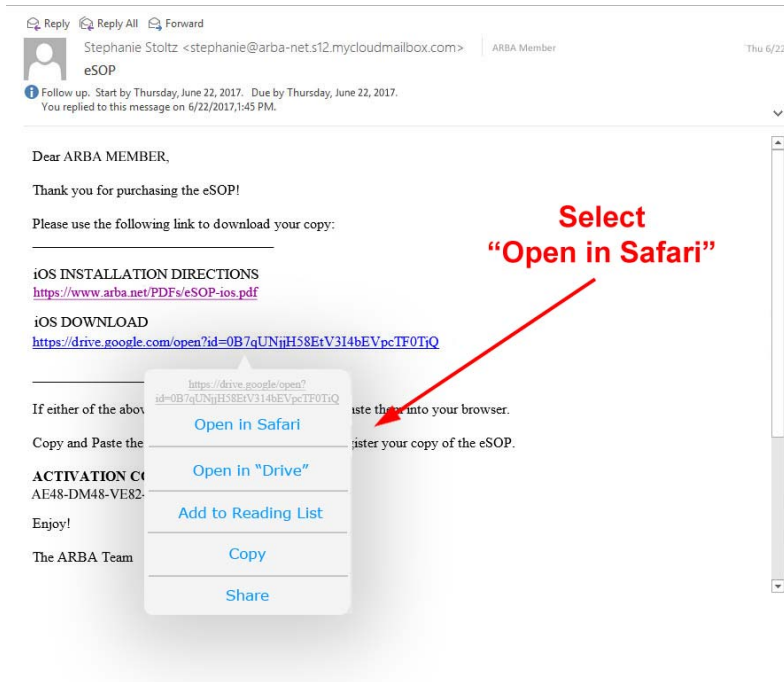

DOWNLOAD AND INSTALL THE eSOP

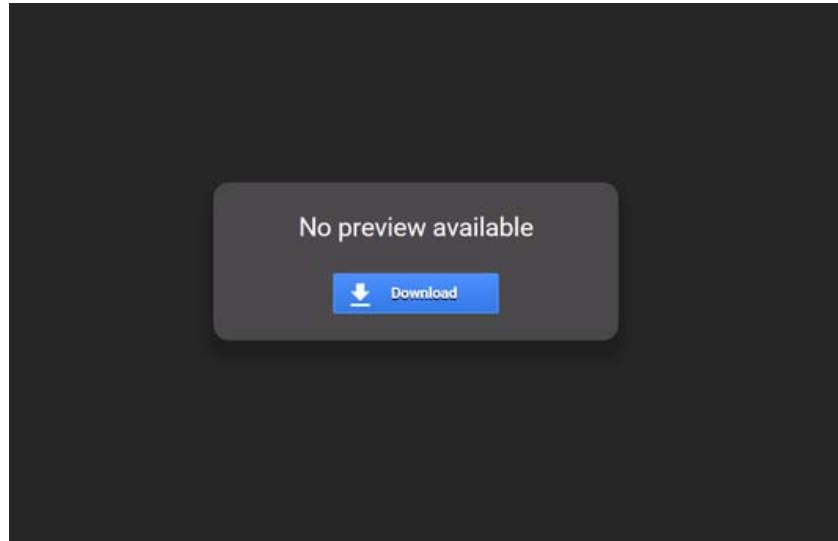

1) Open the email from the ARBA office.

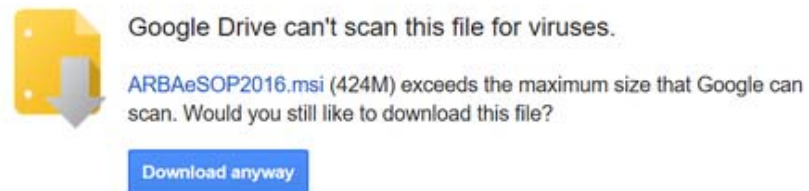

Press and Hold the "iOS Download" link. Continue holding the link until the drop-down list appears. When the drop-down menu appears, select **"Open in Safari."** On some devices, it may simply say, "Open." The eSOP will download to your default Internet browser.

2) After your Internet Browser opens the download page, click the "Download" button.

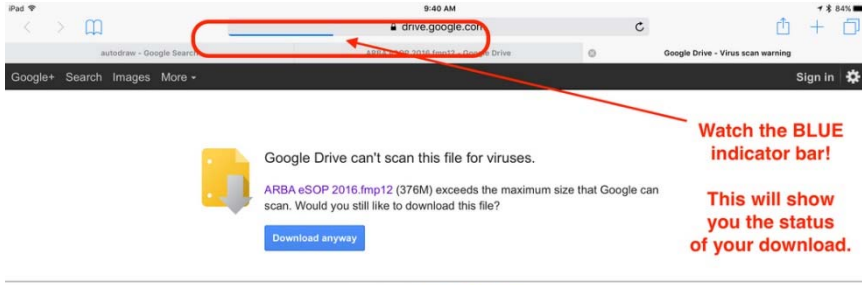

3) Another window will open. Then, click the "Download Anyway" button.

PLEASE NOTE: Depending on your Internet connection, downloading the eSOP app may take **several minutes** to download. It is a relatively **LARGE** file.

BE PATIENT!

Make sure your iOS device stays awake during the download process.

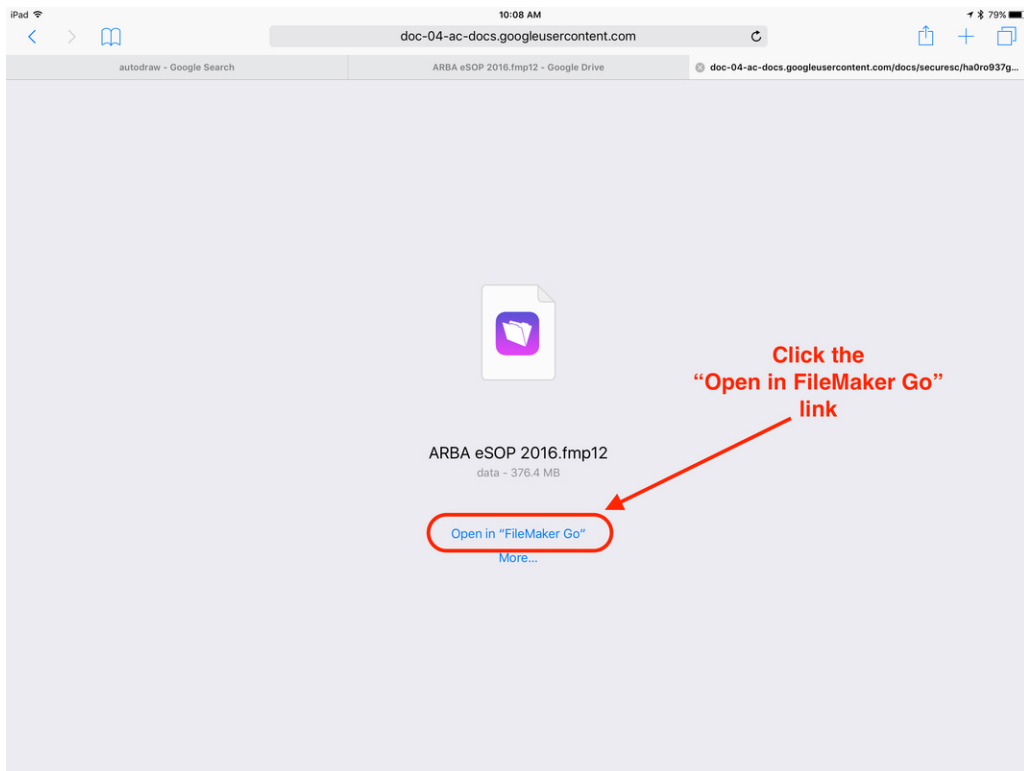

Depending on your connection, this download may take up to 10 minutes to complete. See the blue progress bar to the left.

WARNING!
This step WILL take several minutes to complete. It is essential that you keep this page open and that you do not lose your Internet connection.
BE PATIENT!!!

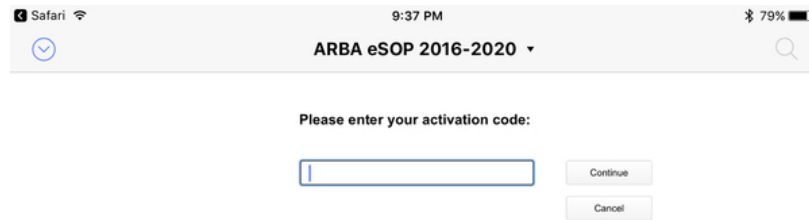

4) Download complete!

Click "Open in FileMaker Go."

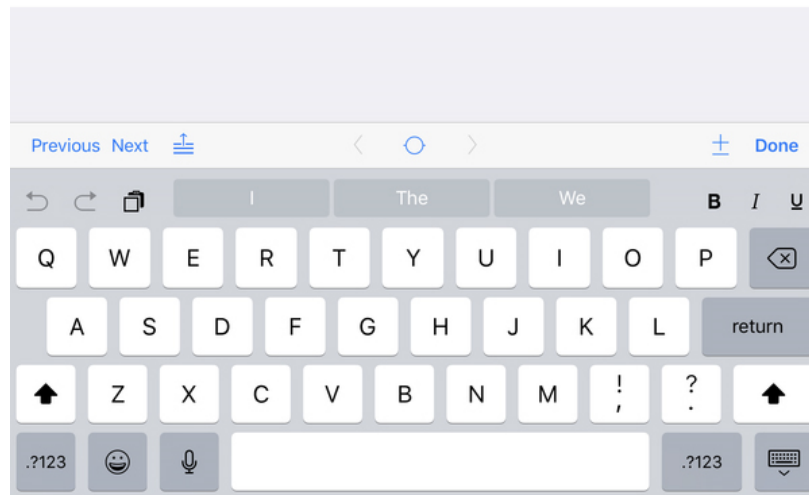

STEP 5 – ACTIVATE YOUR eSOP!

FileMaker Go 15 will open and ask you to "Activate" your eSOP. Enter the Activation code you received in your email from ARBA.

The screenshot shows a Safari browser window on an iPhone. The address bar displays "ARBA eSOP 2016-2020". Below the address bar, the text "Please enter your activation code:" is centered. Underneath this text is a single-line text input field with a blue border and a vertical cursor. To the right of the input field are two buttons: "Continue" and "Cancel". The top status bar shows "Safari", signal strength, "9:37 PM", and "79%" battery.

Click the 'Continue' button.

Congratulations!

Be sure to check out the "How To" page for instructions on how to use your eSOP! Enjoy!
