

Gold Dutch

Extreme ear lacing and/or ticking to head and ears. Color on belly or rear legs so light as to fail to show clearly discernible undercut and/or stops.

Gold—Color to be carried well down the sides and around the belly to match the top color as closely as possible. Slightly lighter belly color and orange lap spots are acceptable. Color on the top of tail is a deep orange. The underside of tail and around the vent is to be light cream. The insides of ears and eye circles are to be light cream.

Eyes—Brown

Faults—Cut severely for ticking shown on head, cheeks and ears. Any shading shown to any area of top color and lower flank. Lighter color fading down the flanks.

Disqualifications from Competition—Very pale yellowish top color.

Insert for 2021-2024 Edition ARBA Standard of Perfection

Eligible to be entered in all ARBA sanctioned shows as exhibition animals. May not compete for Best of Breed/Best in Show
