## Best in Show Certificate Procedure

There are two styles of Best in Show awards. All breed shows will be produced on a Best in Show\* certificate, printed front and back with seal. Best in Specialty Show (Best of Breed) winners will be produced on a Best in Specialty Show\*\* certificate that is front printed only.

\*Send the winning all breed show leg (BIS) with the \$3.00 certificate fee to the Executive Director of the ARBA. Your leg will be returned along with the Best in Show Certificate for your future use in acquiring a Grand Champion Certificate if that rabbit has not received a Grand Champion yet, and it will be discarded after recorded for record keeping if that rabbit has received a Grand Champion already. Please keep a copy for your records before sending.

\*\*Send the winning specialty show leg (BOB) with the \$3.00 fee to the Executive Director of the ARBA. Your leg will be returned along with the Best of Specialty Show Award for your future use in acquiring a Grand Champion Certificate if that rabbit has not received a Grand Champion yet, and it will be discarded after recorded for record keeping if that rabbit has received a Grand Champion already.

You may also apply for a Best in Show ad in the next issue of Domestic Rabbits Magazine to showcase your winning animal for \$25. Contact info@arba.net and include a scan of your winning leg, along with a high resolution image of the rabbit and clarify any owner or variety (declare a more full variety) differences compared to the produced leg. Once we continue contact via email and receive all necessary items, the ARBA office will contact for the final payment of \$25 prior to production of the ad.
