

Agouti Lutino Netherland Dwarf

Variety to be shown in the AOV group.

Agouti—The coat is to be a light orange with a tinge of blue shading/tipping to the hair, most prominent on the sides. Undercolor is light slate. The surface color of the belly, back of forelegs, inside of hind legs, top of hind feet, and underside of lower jaw is to be white with an off-white base. The inside of the ears are to be white, while the nostrils and eye circles are to be creamy white. Undercolor of belly

is light light slate The coat darkens with age and is not considered a fault. Nails—Light or clear in color. Eyes—Pupil to be pink to ruby red, with darker pink to red desirable. Iris to be pink with a light bluish or lilac cast permissible.

Faults—Animals lacking undercolor on the belly.

Disqualification from Competition—Any other eye color than described.

Note to Judges—*The color of the iris can be more pronounced in the older animal.*
