ARBA 2023 NATIONAL TEAM JUDGING CONTESTS

PURPOSE

To acknowledge outstanding group critical thinking skills, demonstrate group initiative and provide problem solving and decision making activities in a small group. This is provided through a state represented team identification competition of ARBA recognized breeds at the ARBA National Convention.

ELIGIBILITY

Each state may submit, through their ARBA District Director, ONE team per age division. Age divisions will be: 12-14 years; and 15-18 years. The age of a team member is determined as of the last day of the national convention. A team must consist of four members and may have two alternates named. A team must have four members present at the ARBA National Convention. All team members must be ARBA Youth members and current members of an ARBA chartered club in the state they are representing. All team members participating on a state team must be residents of said state. **Contestants not already entered in an individual contest must submit an Entry & Publicity Release Form with this form.**

Your ARBA District Director has the option of submitting a team in each age division consisting of members from within their district. Participants residing in a state without enough participants to form a state team are eligible to participate on a district team. Each district is permitted one district team in each age division.
