

Golden Yellow Dutch

Golden Yellow—Color is to be bright, rich deep orange carried well down the hair shaft and blending to a light cream undercolor. Color to be carried well down the sides and around the belly to match the top color as closely as possible. Slightly lighter belly color and orange lap spots are acceptable. Color on the top of tail is a deep orange. The underside of tail and around the vent is to be light cream. The insides of ears and eye circles are to be light cream. Eyes—Brown

Faults—Cut severely for ticking shown on head, cheeks and ears. Any

shading shown to any area of top color and lower flank. Lighter color fading down the flanks.

Disqualifications from Competition—Very pale yellowish top color. Extreme ear lacing and/or ticking to head and ears. Color on belly or rear legs so light as to fail to show clearly discernible undercut and/or stops.
