Set up will start at 3:00 pm Friday March 1.
We will be setting up judging tables, chalk striping the floor,
cleaning the coops, and basic clean up.
If you can help, we would really appreciate it!

You can drop off animals and do early check-in from
5:00 pm until 8:30 pm on Friday March 1.

NO ANIMALS will be allowed in the building before 5:00 pm
unless you are helping with set up

There will be NO saving space for other exhibitors after 7:00 am on Saturday.
A few years ago, we had exhibitors who had to set up outside because they
couldn't find room inside the building. After 7:00 am we will be compressing any
spaces that we think are taking up too much room so that we have enough space
for the exhibitors that come in on Saturday morning. The building opens at 6:00
am on Saturday.

Everyone should bring only essentials - one chair per person or less, but
no more. If you have them, bring tables to place your rabbits on and put your
"stuff" under the tables. Tables should be used to conserve space; no wasted space on
or under tables. Tighten up your spots so there's no wasted space.
Stack carriers if you can. NO empty carts in the building unless they are being stored
under a table or carriers. Exhibitors should make every effort to be
at the show room as early as possible on Saturday.

OFFICIAL SHOW RULES OF THE AMERICAN RABBIT BREEDERS ASSOCIATION, INC.

<https://arba.net/official-arba-show-rules-2/>

All buildings will be locked immediately after BIS judging Saturday evening.
All exhibitors should plan to be out of the building quickly so show officials, judges,
and exhibitors can attend their banquets and dinners with friends.
The gate to the Fairgrounds will be closed at 9 pm on Saturday till 6 am Sunday

Exhibitors may leave their rabbits and cavies in the buildings but all
animals in the Commercial Building 2 (main rabbit building) should be
moved to the back end of the building, near the stage, to allow us to pull
the club’s equipment trailer into the front half. Front end of the building
is the end closest to the fairgrounds entrance gate, back half of the building
is the end facing the Fairgrounds back field. Angoras may stay in their “angora
corner” but need to be away from the roll up door.

This is in order for the show staff to bring one of our equipment trailers
into the building to begin loading it.

NO DOGS ALLOWED –

ADA Regs regarding Service Animals

https://www.ada.gov/regs2010/service_animal_ga.pdf

Q1

Under the ADA, a service animal is defined as a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability.

Q23

....However, if a particular service animal behaves in a way that poses a direct threat to the health or safety of others, has a history of such behavior, or is not under the control of the handler, that animal may be excluded.

Q27

The ADA requires that service animals be under the control of the handler at all times.....The service animal must be harnessed, leashed, or tethered while in public places unless these devices interfere with the service animal's work or the person's disability prevents use of these devices. may not allow the dog to wander away from her and must maintain control of the dog

This means that there will be no barking, whining, no signs of aggression (including low growling and baring teeth), no service dogs not under the DIRECT control of the handler, no disruptive behavior, etc. Your service dog must be leashed, harnessed, or tethered at all times and you must be in CONSTANT control of the leash.

NO DOGS ALLOWED

– Working Service Dogs will be admitted – Service Dogs in Training will NOT be admitted.
