ADA Regs regarding Service Animals

https://www.ada.gov/regs2010/service_animal_qa.pdf

Q1

Under the ADA, a service animal is defined as a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability.

Q23

....However, if a particular service animal behaves in a way that poses a direct threat to the health or safety of others, has a history of such behavior, or is not under the control of the handler, that animal may be excluded.

Q27

The ADA requires that service animals be under the control of the handler at all times.....The service animal must be harnessed, leashed, or tethered while in public places unless these devices interfere with the service animal's work or the person's disability prevents use of these devices. may not allow the dog to wander away from her and must maintain control of the dog

This means that there will be no barking, whining, no signs of aggression (including low growling and baring teeth), no service dogs not under the DIRECT control of the handler, no disruptive behavior, etc. Your service dog must be leashed, harnessed, or tethered at all times and you must be in CONSTANT control of the leash.

We are REALLY THANKFUL for the continued availability of the Carroll County Ag-Ed Center and Center Director, for all the assistance in arranging for each show.

To maintain and continue the great relationship currently enjoyed, it is important that EVERYONE follows the rules and requests of the facility.

1. This is an alcohol and smoking free facility. There is to be NO ALCOHOL anywhere on the property at any time.
2. There is to be no use of tobacco ANYWHERE inside the building at any time. There is a DESIGNATED SMOKING AREA – signs will be posted. Smokers may not smoke within 20 feet of the doors. ABSOLUTELY NO SMOKING in the Cattle Pavilion – there are SHAVINGS on the ground/floor.
3. This is an AIR CONDITONED building. Door MUST remain closed – please limit your exits and entrances during the day after the show starts at 8:00 am on Saturday morning.
4. DO NOT dump your carrier dropping pans in the parking lot!!
5. There is a nice, gravel parking area at the facility, with additional parking area at the rear of the cattle sheds. DO NOT park on their grass in front of the building. DO NOT block the driveways.
