Writers Needed: Please be ready at each judging table so we can start promptly.

Entry Deadline: Entries due **August 11, 2026, at 9 PM.** I will print on **August 14, 2026.**

If you are running late or unable to attend, please let us know. Your safety and the well-being of your animals come first, but please give us a heads-up.

Reminder: As stated in the rules, if you submit an entry but do not attend, entry fees must still be paid. Future entries will not be accepted until balances are cleared.

Show Day Guidelines

As a working store, we welcome the public in our cavy area. Please review these housekeeping notes:

Set-Up: Arica has kindly prepared our show area in the past, which is a big job for one person. If she cannot set up the night before, please help in the morning by moving racks and items to the back so judging can begin promptly. Updates will be sent by email the evening before if same-day setup is required.

Cleanup: Please assist with breakdown tables, coops, sweeping, mopping, and resetting racks. Many hands make the process faster.

Tables & Space: Bring your own table if needed. Space is limited, so only bring essentials and allow room for the next exhibitor especially during a triple show.

Tractor Supply Support: While purchases are not required, consider shopping as a thank you for their continued support. A simple “thank you” goes a long way.

**Hosted by the Chesapeake Cavy Club Promoting excellence, education, and fellowship
among cavy enthusiasts.**

Food: We normally order some type of food. You're welcome to bring your own food. Dunkin' Donuts is nearby for coffee.

Shows: We plan to run all three shows simultaneously, though this may change.

Writing: Everyone must help with writing during a triple show. One person cannot manage multiple tables alone. Please contribute so volunteers don't burn out and the event remains enjoyable for all.

Show Rules

Check-In Sheets: HARES Email Delivery — Important Update

All **Check-In Sheets, Show Reports, and Legs** for shows **secretaried by Melissa Deitrich** will now be sent directly from **HARES (Hare Registry)** instead of from a personal email. On occasion, we may also utilize **Easy2Show** depending on the event or host club requirements.

To ensure you receive all show documents:

1. Add help@haresregistry.com to your email contacts. This single step prevents most delivery issues.

**Hosted by the Chesapeake Cavy Club Promoting excellence, education, and fellowship
among cavy enthusiasts.**

2. Yahoo, AOL, and Comcast users: These providers are the most likely to block or filter HARES emails. If you do not receive your documents, the secretary will use the **download button** (↓ icon next to the envelope) in HARES to save your PDF and forward it manually.

3. Delivery will improve over time. As more exhibitors open and interact with HARES emails, the sender reputation will strengthen and fewer messages will be filtered.

Please make sure your email address is correct on your entry form so you receive all show materials promptly.

Review carefully before show day. Corrections must be made in advance. Once judging begins, no changes allowed even if secretary error.

Communication: Email is the primary method for all updates entry confirmations, Check-In Sheets, corrections, results, legs, breed totals, etc.
